

## Dental Limitations and Exclusions (New York)

No coverage is available under this Policy for the following:

A. Convalescent and Custodial Care. We do not Cover services related to rest cures, custodial care or transportation. "Custodial care"; means help in transferring, eating, dressing, bathing, toileting and other such related activities. Custodial care does not include Covered Services determined to be Medically Necessary.

We do not Cover cosmetic services or surgery unless otherwise specified, except that cosmetic surgery shall not include reconstructive surgery when such service is incidental to or follows surgery resulting from trauma, infection or diseases of the involved part, and reconstructive surgery because of congenital disease or anomaly of a covered Child which has resulted in a functional defect. Cosmetic surgery does not include surgery determined to be Medically Necessary. If a claim for a procedure listed in 11 NYCRR 56 (e.g., certain plastic surgery and dermatology procedures) is submitted retrospectively and without medical information, any denial will not be subject to the Utilization Review process in the Utilization Review and External Appeals sections of this Policy unless medical information is submitted.

C. Elimination Period. We do not cover Dental Expenses in the first 12 months that a person is insured if the person is a Late Entrant; except for evaluations, prophylaxis (cleanings), and fluoride application. There will be no longer than a 12 month wait for benefits.

D. Experimental or Investigational Treatment. We do not Cover any health care service, procedure, treatment, or device that is experimental or investigational. However, We will Cover experimental or investigational treatments, including treatment for Your rare disease or patient costs for Your participation in a clinical trial, when Our denial of services is overturned by an External Appeal Agent certified by the State. However, for clinical trials, We will not Cover the costs of any investigational drugs or devices, non-health services required for You to receive the treatment, the costs of managing the research, or costs that would not be Covered under the Policy for non-investigational treatments. See the Utilization Review and External Appeal sections of this Policy for a further explanation of Your Appeal rights.

E. Felony Participation. We do not Cover any illness, treatment or medical condition due to Your participation in a felony, riot or insurrection.

G. Medical Services. We do not Cover medical services or dental services that are medical in nature, including any Hospital charges or prescription drug charges.

H. Medically Necessary. In general, We will not Cover any dental service, procedure, treatment, test or device that We determine is not Medically Necessary. If an External Appeal Agent certified by the State overturns Our denial, however, We will Cover the service, procedure, treatment, test or device for which coverage has been denied, to the extent that such service, procedure, treatment, test or device, is otherwise Covered under the terms of this Policy.

I. Medicare or Other Governmental Program. We do not Cover services if benefits are provided for such services under the federal Medicare program or other governmental program (except Medicaid).

For a period of 12 months from the enrollment date, we do not Cover any conditions for which medical advice was given, treatment was recommended by or received from a Physician within six (6) months before the effective date of Your coverage. The 12-month exclusionary period may be shortened by crediting the time You were covered under creditable coverage. We will credit the time You were covered under another dental plan, if You were enrolled in the prior coverage within 63 days before enrolling in this Policy. We will not treat genetic information as a pre-existing condition in the absence of a diagnosis of the condition related to such information. There will be no longer than a 12 month wait for benefits.
